

More coverage is key.

Introducing **Re-key**.

The newest coverage* feature on all American Home Shield® Buyer Home Warranty Plans**

You already know your clients deserve the best. We think so, too. That's why we're always on the lookout for ways to make their coverage plan work harder for them. Our new **Re-key** coverage gives homeowners even more protection when it comes to their new home. And the best part? They don't have to change anything about their current plan. It's automatically added.

What's the **Re-key** claim process?

Easy. It's just like making any other claim.

1. Homeowner's close on their new home and call AHS® to schedule their **Re-key** service.
2. We send out a contractor to replace up to 6 keyholes with 4 identical keys.
3. Your clients pay the same service fee associated with their home warranty.

It's that simple. Extra coverage. No extra cost.

* Re-Key covers up to 6 keyholes, including delivery of a total of 4 identical keys, on previously installed and properly functioning non-electronic door knobs and/or deadbolts for the hinged doors accessing the structural walls of your covered residential property. You are responsible for payment of your trade service call fee and the cost of any additional services provided. A separate trade service call fee applies for each unit of any covered multi-unit property. Re-key is not available in every state.

** Re-key is not included in the seller coverage option. For buyer use only.
